I will never forget my first day of high school. I was very nervous because I didn't know any of the other students. In my first class, I looked around for someone friendly. I saw a girl at the front of the room who also looked nervous, so I decided to make friends with her. Even though I was shy about talking to her, I went up to her and said, "Don't be nervous. I will help you. Do you want to sit with me?" She looked a little surprised and said, "Actually, I am the new teacher."

Sports instructor is a good part-time job. You can enjoy your favorite activity and earn money at the same time. Some other jobs pay better. You can also volunteer as an instructor. I had a difficult time learning to swim, because my instructor wasn't very good. My tennis instructor was much better. If you get a lot of experience as a sports instructor, you can get a job at a gym or as a coach in the future.
